The almost four-decade long journey of Moby started in Bursa, Turkey in 1983. Founded by the award-winning furniture and interior designer A. Raşit Karaaslan, Moby is the most well known manufacturer of contemporary design furniture from Turkey. The timeless and universal appeal of the designer's work has won him and Moby several prestigious international design awards. His signature style involves the use of rounded forms and organic lines within a contemporary aesthetic and accentuating the beauty of natural wood. Right from the beginning, designer A. Raşit Karaaslan was keen on introducing Turkish design and craftsmanship to the discerning audience around the globe. It is his visionary approach, combined with superb woodworking skills of its artisans, that have made Moby into the world-renowned company it is today.

THE ARTFUL ADVENTURE OF FURNITURE

In Mobi's factory, digital technology and artisanal woodworking are brought together to materialize the extraordinary. This hybrid production system allows for innovation and customization, while ensuring precision and impeccable quality. Each piece of furniture is individually crafted by craftsmen who have devoted themselves to a tradition of excellence. Mobi's team of highly skilled artisans, designers and technicians are together pushing the boundaries of today's furniture and woodworking industry.

“ The crucial ingredient is the handcrafting, which is key in turning furniture into treasurable objects.”
A. Raşit Karaaslan / Designer
